

TAKAHIRO YOSHIKAWA - CLAUDE DEBUSSY

The Japanese label Ypsilon International presents its second recording with the pianist Takahiro Yoshikawa, totally devoted to Debussy.

Yoshikawa plays Debussy paying close attention to every single detail through an in depth reading of the scores. Due to his extremely sensitive touch and accurate use of the pedals we can perceive a new way of interpreting the works of one of the most important composers in the history of music, even in famous pages such as: Clair de lune di Suite bergamasque or Reflets dans l'eau di Image.

The Recording, which has already come out in November of 2016 in Japan, has received excellent reviews.
